

To find available titles:

A **black book** in the top right corner indicates that the book is currently available to check out.

A **gray book** in the top right corner indicates that all copies of the title are currently checked out to other patrons.

To search only for available titles, choose “Only titles with copies available” from the “Show me:” menu.

To find out if a book is compatible with your Nook:

Click on the book cover. Look at the available formats listed on the right side of the page. If Adobe EPUB eBook or Adobe PDF eBook are listed here, the book is compatible.

You can filter incompatible books out of your search by choosing these formats from the filters on the left side of the search page.

FAQs

Why borrow ebooks from your library?

1. Install the app from the Barnes and Noble store:

Press the “N” home button and select “Shop” from the menu. Search for “overdrive media console” in the Barnes and Noble store on your device. Download and install the OverDrive Media Console app.

2. Authorize your device:

Open the app. A message will appear describing the features of the latest version of the app. Tap “Close.”

Tap your device’s menu button, then tap “App Settings”

Tap “Get a Free Adobe ID”

Enter your name, email address, and a password to create your Adobe ID. Then, return to the OverDrive Media Console app and enter your email address and the password you chose.

3. Choose your library:

Press the menu button. Choose “Get Books.”

Tap “Add a Library.” Enter your library’s name, your town’s name, or your postal code. Then tap “Search.”

When you find your library, tap on its name. Tap the star next to “Bibliomation Downloadable eMedia Catalog.” The star will turn yellow. This will save Bibliomation’s OverDrive catalog to your “Get Books” list so you will not have to search for your library the next time you use the app.

Tap anywhere to the right of the star to enter Bibliomation’s OverDrive catalog.

4. Sign in:

Click “Sign In” to access your account.

Begin typing your library’s name. Choose it from the list when it appears. Then, type in your library card number.

5. Find a book to check out:

You can browse the collection by choosing a category from the home page, or by clicking in the “Search” box and entering a title, author, or keyword.

6. Check out your book:

Click on the book cover. Click “Borrow” to check the book out.

If all copies of the title are checked out to another user, you will see a “Place a Hold” button instead. Click here and enter your email address to be notified when the book is available to check out.

7. Download your book:

Once the book is checked out to you, it will appear on your bookshelf. To download the book, click the “Download” button and select “Adobe EPUB eBook” (or “Adobe PDF eBook” if EPUB is not available). Then click “Confirm & Download.”

Be My Valentine: My... Debbie Macomber

When the book finishes downloading, tap the menu button and then tap “Bookshelf.”
