

Donation Criteria & Policy

We reserve the right to decline any donation.

Please include at least 25 seeds when donating.

Seeds **must** be:

- heirloom or open-pollinated (to promote successful harvest)
- harvested within the last two years

Seeds **must NOT** be:

- illegal federally or in CT
- poisonous, noxious, or controlled
- genetically engineered, crossed varieties, or hybrids
- locally invasive
- protected by IP or patent law

Information to include when donating:

Name of the plant:

Variety name (if applicable):

Date of seed harvest:

Please bring your seeds and a **completed donation form** to the front desk. Give your donation **directly to a staff member**.

Please bring your seeds and this completed form to the front desk. Items marked with an asterisk * are required.

*Your name:

***Please provide at least one method of contact.**

Phone number:

E-mail:

*Name of plant:

Varietal:

*Date of seed harvest:

To the best of my knowledge, these seeds

- are heirloom or open-pollinated;
- harvested within the last two years
- legal federally and in Connecticut for all residents;
- not poisonous, noxious, or controlled;
- not a crossed variety or hybrid;
- not locally invasive;
- not protected by IP or patent law.

*Yes (Initial) _____

The library will double-check that these requirements are met, but please do your best.

The library reserves the right to decline any donation.
